TERRITORY OF MONTANA, }  
AUDITOR'S OFFICE, }  
HELENA, January 1st, 1886. }

TO HIS EXCELLENCY, S. T. HAUSER, GOVERNOR OF THE TERRITORY OF MONTANA :

SIR :—In compliance with law, I have the honor to submit herewith the Annual Report of this office for the fiscal year ending December 31st, 1885.

The finances of the Territory are in a healthy condition, there being \$17,870.73 in the General Fund of the Treasury, as against \$5,237.59 on January 1st, 1885. There are \$3,011.62 of General Fund Warrants outstanding; \$696.78 Stock Inspector and Detective Fund Warrants outstanding, with \$7,650.25 in the Fund; \$521.25 Stock Indemnity Fund Warrants outstanding, with \$6,123.32 in the Fund. All Warrants on the several Funds have been called by the Territorial Treasurer, and will be paid on presentation. There is no bonded indebtedness.

It is highly probable that the expenses of the Territorial Government for the present year will be less than for the past, and that the revenue will exceed the expenditures, thereby insuring freedom from indebtedness on January 1st, 1887.

Very respectfully,

Your obedient servant,

J. P. WOOLMAN,

Territorial Auditor.

REPORT  
OF THE  
TERRITORIAL TREASURER  
FOR THE  
FISCAL YEAR 1885.

---

TERRITORY OF MONTANA, }  
TREASURER'S OFFICE,  
HELENA, January 1, 1886. }

TO HIS EXCELLENCY, SAMUEL T. HAUSER, GOVERNOR OF MONTANA :

SIR:—As required by law, I have the honor to submit the following report, showing the present status of this office and its transactions for the fiscal year ending and including December 31, 1885.

The addition of one mill on the dollar to the Territorial tax by the last Legislative Assembly, has extinguished the small debt that had accrued at the beginning of 1885, and prevented the formation of a much larger indebtedness, as there has been an important increase of Territorial expenditures.

How large the debt would have been without this increase of tax, is clearly indicated, by the fact that the receipts of revenue proper for the past year exceed those of the preceding year \$66,967.76; while there is now in the General Fund a surplus over all registered liabilities of \$8,068.02, and a cash balance of \$17,870.73. This balance will be entirely depleted in about one month from this date, when warrants will again become interest bearing for a short time, but at the close of the current year, there is good reason to predict that all warrants will be redeemed, and the present surplus enlarged to a considerable extent.

I have the honor to be,

Very respectfully,

Your obedient servant,

D. H. WESTON,  
Territorial Treasurer.
